## Precept Report 2020-2021

This budget is called the '**Precept**', and is the amount the Town Council asks from Eden District Council as a proportion of the Council Tax paid by householders of Penrith. The Council utilises the precept, to provide its services and deliver its Council Plan.

The Town Council's portion of Council Tax bill depends on which band a property is in. Properties are put into one of eight bands, A being the lowest, and H the highest, with Band D being the average.

Following the finance meeting of the Council on Wednesday 22 January 2020 C12/01/20 it was **RESOLVED** to increase the precept by 3% on the previous year.

This is to allow the Council to run its business and to continue to establish a building reserves fund to use to undertake capital works to the Council's portfolio of properties.
