The Clerk presented the Management accounts **October 2020**.

It was **RESOLVED** to accept the Management accounts

Clerk

### F6/11/20 Devolution

The Council has supported the principle of devolution of services and facilities to Appleby Town Council Town, however before any decision can be made it was requested that the Clerk ask for further financial information from EDC to allow the Council to make a robust business case for the residents of Appleby to consider. This includes full costings for the Broadclose car park, confirmation that assets are freehold and further clarification of ownership of land. The Clerk will seek clarification from EDC as to whether the EDC precept will reduce after the transfer of cost to ATC. Cllr Connell pointed out that the additional precept for example for the football field no longer exists. The Council can only take on the assets if there is sustainable income to support maintenance and annual costs. A community engagement exercise will take place to seek the views of the residents of Appleby and stakeholders. The Council agreed that they cannot make any decisions until they have crystal clear information relating to costs and potential income from the Car Park. The Clerk confirmed she had requested this information and will email EDC again. In summary the finance Chairman requested the Clerk to: contact People and Places, develop a plan for community engagement including third sector organisations request further financial information from EDC and present what the cost would be for taxpayers if ATC took on all or some of the assets on offer.

Clerk

### F7/11/20 Councillor's reports and items for future agenda

- Devolution
- Budget 2020/21

### F8/11/20
